Members of Liss Area Historical Society will be saying thank you to local company Shilling Communication at their next meeting on Thursday, March 31.

Society chairman Robert Luckhurst said: "We will be presenting a painting to Kevin and Debbie Shilling in recognition of the considerable help and support they have given us in producing our book 'Liss – A Brief History' by Dick Martin.

"The painting is of Liss Mill, where the company is based, and the artist is Judith Hayes, who is our treasurer."

The guest speaker at the meeting at the Central Hall, Liss Forest, will be Chris Dowty who will give a talk on 'Navigation Through The Ages'. The meeting is at 7.30pm and guests and new members will be welcome.
